## Gardening Group

# Guidelines

By joining our group, you agree to the following:

**Respect All Members:** Be kind and respectful. We welcome all backgrounds and perspectives.

**Share and Collaborate:** Support each other by sharing knowledge, tools and plants.

**Communicate Positively:** Communicate in a way that encourages collaboration. Harassment, discrimination or offensive language will not be tolerated.

**Care for the Environment:** Follow eco-friendly practices as agreed by the group e.g. using organic methods and reducing waste.

**Prioritise Safety:** Follow safety guidelines and use tools responsibly. Report any hazards to group leaders or members.

**Protect Privacy:** Keep personal information shared within the group confidential.

**Resolve Conflicts Peacefully:** Handle disagreements with openness and respect.
